**Students are encouraged to start the music minor in the second semester of their freshman year or no later than the first semester of their second year.** Each semester students must consult with their Department of Music advisor in the selection of the courses, leading to an individualized minor in music.

The program for the music minor is as follows:

## **Additional Requirements:**

1. **Reading music is required.**
2. No more than one course unit may be taken as an independent study.
3. Upon successful testing, students may transfer up to six credits from other institutions (1.5 courses units).

## **Private Studio Lessons**

An audition is required for applied lessons, beginning at the intermediate level. Generally, lessons for beginners are not offered. Students should first contact the studio teacher of their primary instrument. Private studio lessons carry a fee of \$500 per semester at the 200-level and \$1,000 per semester at the 300-level.
